

LIGASE HEALTHCARE

Complete Website Script & Creative Design Specification

Empowering Healthcare. Building Skills. Creating Opportunities.

1. HEADER / NAVIGATION

Navigation: Home • About Us • Healthcare Solutions • Training Programs • Internships • Certifications • Careers • Contact Us

Header CTA: Get Started

Animation: Logo fades in on page load. Navigation links have a smooth underline animation on hover. “Get Started” button has a subtle glowing/hover effect. Header becomes slightly transparent/sticky while scrolling.

2. HERO SECTION

Main Heading: Empowering Healthcare. Building Skills. Creating Opportunities.

Subheading: Professional Medical Coding Services, Industry-Oriented Training, Internships & Certification Support — All Under One Healthcare Partner.

Buttons: Explore Our Services • Start Your Career

Visual Concept: Modern healthcare background featuring medical/healthcare data, coding symbols, digital healthcare interfaces, abstract human/medical illustrations, and connecting lines representing healthcare networks.

Animation: Digital healthcare network: Healthcare → Data → Coding → Accuracy → Better Outcomes. Small animated particles continuously move between the nodes.

3. TRUST / INTRODUCTION STRIP

Heading: Healthcare Expertise. Practical Skills. Career Growth.

Content: Ligase Healthcare combines healthcare services with practical, career-focused learning to help organizations and aspiring healthcare professionals move forward with confidence.

Animated Counters: Medical Coding Services • Skill Development Programs • Industry-Oriented Training • Career-Focused Learning. Use actual verified numbers only when available.

4. WHO WE ARE

Exact content: We are a healthcare services and training company offering **medical coding, healthcare solutions, professional training, internships, and certification support.**

Design: Split screen: animated healthcare/coding illustration on the left and the exact content on the right.

Animation: Illustration slides in from left and text fades in from right; small healthcare icons appear sequentially.

5. OUR MISSION

Exact content: To provide **quality medical coding services and practical career-focused training** that helps healthcare organizations and aspiring professionals succeed.

Design: Circular animated diagram: Quality → Skills → Accuracy → Growth → Success, with LIGASE HEALTHCARE at the center.

6. OUR VISION

Exact content: To become a **trusted healthcare coding and training partner**, recognized for quality, skill development, innovation, and career opportunities.

Visual: Today → Learn → Develop Skills → Get Certified → Build a Career → Grow With Healthcare.

Main statement: Building the Healthcare Workforce of Tomorrow.

7. WHY CHOOSE US

Exact content: Professional Medical Coding Services • **Skill Development Programs (SDP)** • Short-Duration Medical Coding Programs • Final-Semester Internship Opportunities • Practical, Industry-Oriented Training • Certification Preparation & Support • **CPC, CCS, CRC and other Medical Coding Certifications** • Career-focused learning and development

Design: Eight interactive cards with numbered icons.

Animation: On hover, card lifts upward, icon animates, background expands, and a short description appears.

8. OUR HEALTHCARE SOLUTIONS

Heading: Supporting Healthcare Through Accuracy, Skills & Technology

Introduction: Ligase Healthcare aims to support healthcare organizations with professional services designed around quality, accuracy, efficiency, and skilled healthcare professionals.

Service Cards: Medical Coding Services • Healthcare Support Solutions • Coding Quality & Accuracy • Healthcare Workforce Development

Note: Only display service areas that Ligase Healthcare actually provides.

9. MEDICAL CODING SERVICES

Heading: Accuracy That Supports Better Healthcare Operations

Content: Our medical coding services focus on accuracy, quality, compliance-oriented practices, and skilled professionals to support healthcare organizations.

Service Areas: Medical Coding • Inpatient Coding • Outpatient Coding • HCC Coding • Risk Adjustment • Coding Quality • Documentation Review • Healthcare Revenue Cycle Support

Note: Only display service areas that Ligase Healthcare actually provides.

10. TRAINING SECTION

Heading: Learn Medical Coding. Build Skills. Prepare for Your Career.

Content: Our training programs are designed to provide practical, industry-oriented learning for individuals looking to build a career in medical coding and healthcare.

Programs: Skill Development Programs (SDP) • Short-Duration Medical Coding Programs • Professional Training

CTA: Explore Training Programs

11. HOW OUR TRAINING WORKS

Heading: Your Learning Journey

Steps: 01 Learn → 02 Practice → 03 Develop → 04 Prepare → 05 Launch

Details: Build your foundation in medical coding and healthcare concepts → Apply knowledge through practical learning → Strengthen coding and professional skills → Prepare for professional certifications → Move toward internship and career opportunities.

Animation: Timeline progressively illuminates as the user scrolls.

12. INTERNSHIP SECTION

Heading: Turn Classroom Knowledge Into Practical Experience

Content: Our final-semester internship opportunities are designed to help students gain practical exposure and understand the professional healthcare environment.

Benefits: Practical Exposure • Industry-Oriented Learning • Skill Development • Career Preparation

CTA: Explore Internship Opportunities

13. CERTIFICATION SECTION

Heading: Prepare. Certify. Advance.

Content: We support aspiring medical coding professionals in preparing for recognized industry certifications.

Certification Cards: CPC — Certified Professional Coder • CCS — Certified Coding Specialist • CRC — Certified Risk Adjustment Coder • Other Certifications — Medical coding certification pathways and professional development opportunities.

CTA: Explore Certification Support

14. CERTIFICATION JOURNEY

Journey: Choose Your Certification → Build Your Knowledge → Practice Coding → Prepare for Examination → Take the Certification Exam → Advance Your Career

Tagline: Your Career. Your Skills. Your Future.

15. STUDENT / PROFESSIONAL SUCCESS SECTION

Heading: Success Starts With Skills

Cards: Student Success • Career Growth • Practical Learning • Skill Development

Future Features: Student photographs • Certification scores • Testimonials • Placement statistics • Success stories

16. WHY LIGASE?

Heading: Why Ligase Healthcare?

Core idea: Healthcare + Training + Career

Statement: Ligase Healthcare connects Healthcare Services + Professional Training + Career Development = A Complete Healthcare Career Ecosystem.

Design: Animated three-circle/Venn diagram.

17. TECHNOLOGY SECTION

Heading: Technology-Enabled Healthcare Learning

Content: We believe technology can transform the way healthcare professionals learn, work, and grow.

Visual Elements: AI-inspired healthcare graphics • Digital coding screens • Data visualization • Cloud/network graphics • Healthcare dashboards

Tagline: Smarter Learning. Better Skills. Stronger Healthcare.

18. CAREERS SECTION

Heading: Build Your Career With Us

Content: We are building a professional environment where healthcare knowledge, coding skills, continuous learning, and career development come together.

CTA: View Opportunities • Send Your Resume

19. CALL-TO-ACTION SECTION

Heading: Ready to Build Your Next Healthcare Opportunity?

Subheading: Whether you are a healthcare organization looking for professional support or an aspiring medical coding professional looking to build your career, Ligase Healthcare is here to help.

Buttons: Explore Our Services • Explore Training

20. CONTACT SECTION

Heading: Let's Connect

Subheading: Start Your Journey With Ligase Healthcare

Form: Full Name • Email Address • Phone Number • I am interested in: Medical Coding Services / Training Programs / Internship / Certification Support / Career Opportunities / General Enquiry • Message • Submit Enquiry

21. FOOTER

Brand: LIGASE HEALTHCARE

Descriptor: Healthcare Services | Training | Internships | Certification Support

Quick Links: Home • About Us • Healthcare Solutions • Training Programs • Internships • Certifications • Careers • Contact

Services: Medical Coding • Healthcare Solutions • Skill Development Programs • Professional Training • Internship • Certification Support

Certifications: CPC • CCS • CRC • Other Medical Coding Certifications

Contact: Email: [Your official email] • Phone: [Your official phone number] • Address: [Your official address]

Social Media: LinkedIn • Instagram • Facebook • YouTube

22. FINAL FOOTER TAGLINE

Tagline: Ligase Healthcare — Empowering Healthcare. Building Skills. Creating Opportunities.

Copyright: © 2026 Ligase Healthcare. All Rights Reserved.

CREATIVE WEBSITE DESIGN DIRECTION

Overall Style: Healthcare Enterprise + Modern Technology Startup + Education Platform

Color Direction: Deep navy/blue • Healthcare green/teal • White • Very light blue backgrounds

Typography: Heading: Inter / Manrope • Body: Inter

Design Principle: Create a unique visual identity for Ligase rather than directly copying Optum, CorroHealth, or Access Healthcare.

LIVE ANIMATIONS TO ADD

- 1. Animated Healthcare Network:** Particles travel between Patient → Data → Coding → Healthcare → Outcome.
- 2. Scroll Reveal:** Every section smoothly appears as the visitor scrolls.
- 3. Animated Counters:** Use verified company statistics only.
- 4. Interactive Service Cards:** Hover → card rises → icon animates → additional information appears.
- 5. Certification Animation:** CPC → CCS → CRC cards continuously move subtly.
- 6. Career Journey Animation:** Learn → Practice → Certify → Intern → Career.
- 7. Mouse Interaction:** Subtle floating healthcare particles respond to cursor movement on desktop.
- 8. Hero Animation:** Slowly moving digital healthcare network instead of a static stock photograph.

RECOMMENDED HOMEPAGE FLOW

Flow: LIGASE HEALTHCARE → Empowering Healthcare. Building Skills. Creating Opportunities. → Who We Are → Our Mission → Our Vision → Healthcare Solutions → Medical Coding Services → Training Programs → Internships → Certification Support → Why Choose Us → Why Ligase? → Success / Career Development → Careers → Let's Connect → Footer
